Company Profile and Track Record

TiNKvisualcommunication was founded in 1999 by Kelvin Hung. TiNK's expertise lies in advertising, graphic designs, interactive designs, branding and corporate identities.

The depth of our experience and profound understanding of the market over many years in the design and advertising industry allows the company to grow and provide professional design solutions with visual attitude.

TiNK's work in the creative industry is well recognized internationally and has earned us numerous international awards in prestigious events such as the New York Festival, Creativity, Tokyo Type Directors Club, Taiwan Times Advertising Awards, The 1st International Chinese Design Awards and Hong Kong Designers Associations Awards.

TiNK assumes full service for all projects from concept development, design, artworks and delivery of final products.

High-quality service and prompt response to your needs are our commitment.
